

Jurisdictional Reports

Some questions to keep in mind when providing an update on your province:

Provincial

- Have there been any significant changes in your provincial government in the past year?
- Any new initiatives or directives for post-secondary education in general or for transfer in particular?

Organizations

- What is the set-up of your organization? (council, board, committee, etc.)
- How was your organization formed and is it recognized or mandated in legislation?
- Structure:
 - How large your organization?
 - How is it staffed?
 - How is it funded?
- How many post-secondary institutions are part of your transfer credit system?
- Do you have a formal principals, policy and/or procedure(s) that your organization and/or post-secondary institutions adhere/agree to?
- Do you have a registry of transfer agreements (e.g. printed transfer guide, online transfer guide)?
- Do you collect data regarding admissions, mobility or transfer of post-secondary learners in your province?
- What kind of research is your organization involved in?

Institutions

- How involved are institutions in your province in articulation and transfer?
- What are the actual or perceived barriers to successful student transfer in your province?
- What seems to work well for student mobility?
